

From the Pastor's Desk:

Because of Memorial Day Fr. Matt fell behind and was not able to write a letter this week. Some bullet points are:

-Thanks so much for welcoming Julian our seminarian last week, he is doing great and having a good time. Remember to pray for him and all seminarians often.

- Please remember our Softball Game next weekend the 13th of June at 1:30 p.m. at Our Lady of Perpetual Help. We need a few more players but we need lots of fans! It is a fun event and if you register or let them know you are coming you can stay for Mass and a picnic afterwards.

-Soon the Mission Committee would like to tell the parish what a wonderful experience they had on their recent trip to New Orleans. They will speak at the Masses in a couple of weeks and invite parishioners to hear a presentation about how you can be inspired and get involved.

-Did you know we have a Home- Schooling Co-op in our parish? The St. Philomena Home School Co-op would like to introduce themselves at a few of the Masses over the next couple of weeks.

-Things continue to go very well with the progress of our New Evangelization Center. We really should do another update on that soon.

God Bless you!

Your Servant for Life

Father Matt

Bishops Note Way Forward With Health Care, Clarify Misconceptions

(from a press release May 21 from the USCCB)The U.S. bishops called for steps to protect the lives of the most vulnerable, provide fairness for immigrants and guarantee conscience protections for individual and institutions in a statement on health care reform issued May 21. The statement was offered by Cardinal Daniel DiNardo, Chairman of the United States Conference of Catholic Bishops Committee on Pro-Life Activities; Bishop William Murphy of Rockville Centre, New York, Chairman of the USCCB Committee on Domestic Justice, Peace and Human Development, and Bishop John Wester of Salt Lake City, chairman of the USCCB Committee on Immigration.

“Following enactment of the health care reform legislation, our challenge remains formidable but in some ways is simpler,” the bishops said. “Since the battle over the bill is over, the defects can be judged soberly in their own right, and solutions can be advanced in Congress while retaining what is good in the new law. Indeed, any failure to do so would only leave these genuine problems as ammunition for those who prefer total repeal of the law.”

The bishops said the current situation “provides a new opportunity for the Catholic community to come together in defense of human life, rights of conscience and fairness to immigrants so we will have a health care system that truly respects the life, dignity, health and consciences of all.”

The full statement can be read at <http://www.usccb.org/comm/archives/2010/10-104.shtml>
