

From the Pastor's Desk:

I am sorry if it was a little too hot in Church the last couple of weekends. I hope you find it cool and comfortable this weekend. I also hope you have an enjoyable (which for me includes air conditioning) and safe Fourth of July! Besides it being a bit chilly you may find Church this weekend a little strange. There is of course the new additions of both the Vatican and American flags in our Church and we are singing some patriotic songs, but it may be surprising that our Mass is not specifically geared towards Independence Day. It is a reminder of what it means to be part of a world wide Church. We celebrate this weekend the Fourteenth Sunday in Ordinary Time along with every Catholic in Africa, Asia, Europe, and Zimbabwe. I imagine most will add an intercession for us and our country in the prayer of the faithful but that is about it. It is a somewhat stark reminder that the Mass is a worship of our loving God who sends the rain and makes the sun shine on all peoples around the world. Our worship does not revolve around us - it always revolves around God!!! You may have heard that next year the Church will slowly introduce us to some different prayers and wording at Mass. This is yet another sign that the Mass is first and foremost the prayer of the whole Catholic Church and that whether we speak in English or Swahili we all want to be as close to each other in meaning as possible. It also reminds us that the Mass is not ours, it is given to us by the Church to worship and adore almighty God. I ask you that when you worship this weekend and it seems a little strange that everything is not centered around the birthday of our great country that you also prepare yourself for when some of the new prayers are not what you are used to. Always try to remember that what we do at Mass is bigger than our community, our nation, and in fact the celebration of the Eucharist is literally and figuratively out of this world! Happy 4th of July and God bless you!

Your Servant For Life,

Fr. Matt

Independence Day Novena: Prayer is the foundation of all we do in the pro-life movement. Join thousands of others by offering each day a prayer of commitment to build a culture of life.

God our Father, your Son Jesus spoke to us a message of peace and taught us to live as brothers and sisters.

His message took form in the vision of our Founding Fathers, as they fashioned a nation where all people might live as one.

This message lives on in our midst as a task for us today and a promise for tomorrow.

We thank you, Father, for your blessings in the past, and for all that, with your help, we must yet achieve.

Bless our nation and bless each of us. As we celebrate our independence, may we extend its blessings to our youngest brothers and sisters, the children in the womb.

Hasten the day when our nation will be a nation with liberty and justice, not just for some, but for all, through Christ our Lord. Amen.

Since the Year for Priest ended June 19, 2010, I'd like to share the following message that came from the June 15<sup>th</sup>, 1958 Bulletin of St. Paul's Church, with regards to Reverend Father Casimir Keydash.

To live in the midst of the world without  
Wishing its pleasures; to be a member of each  
family, yet belonging to none; to share all  
sufferings; to penetrate all secrets; to heal  
all wounds; to go from men to God and offer  
Him their prayers; to return from God to men  
to bring pardon and hope; to have a heart of  
fire for charity and a heart of bronze for  
chastity; to teach and to pardon, console and  
bless always, My God, what a life! And it is  
yours, O Priest of Jesus Christ.

On this day, the 25<sup>th</sup> anniversary of  
His Ordination to the Holy Priesthood, we offer

## INDEPENDENCE DAY

**We hold these truths to be self evident that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and pursuit of Happiness; that to secure these rights, governments are instituted among men, deriving their just powers from the consent of the governed. ~**
