## LIFE MATTERS:

**Natural Family Planning.....What is it? (Part I):** NFP is fertility awareness. It is completely natural, safe and is highly effective for spacing births and aids in achieving conception as well. Couples using NFP learn to determine the times in a woman's cycle when she is fertile and when she is not. Using that information the couple can avoid pregnancy or try to conceive. Modern NFP is as effective as many artificial means of contraception, including the Pill. Studies show that practiced correctly NFP has a 99% effectiveness rate at avoiding pregnancy. 1. Well it has been some time since returning from our mission work in New Orleans. Now there is another mission trip which we have been invited to participate in, if we feel so inclined. The Glen Mar Methodist "Youth On A Mission" (YOAM) group, with whom we traveled to New Orleans in March of '09, has invited us to go with them to Slidell, Louisiana this winter. It is about 20 min. northeast of the city along the shores of Lake Pontchartrain. Their trip, which is actually run by their youth that go on the trip, is planned for Jan. 2nd, 2011 thru Jan. 8th, 2011 during winter break. It is primarily for those college students ages 18 to 25 who can not make their April Mission, however all **adults** are encouraged to go along. Several of us have been on their mission trips in the past, and a couple of us are planning on attending this one also. Anyone interested should contact Leo Dodge, our scrip coordinator (<http://webmail.verizon.com/webmail/%22http://mailto:leocdodge@comcast.net%22>) or their trip coordinator Mark Hardin at <http://webmail.verizon.com/webmail/%22http://mailto:mhardin1@comcast.net%22>.

Either can provide more particulars about the funding and the trip itself. A great opportunity to set an example for our children, feel God's power, get involved and be moved..... and do it when the weather is not quite as hot.

PS. We have been told the tasks at hand will NOT involve anything to do with the oil spill.

**Thank you for your continued support and donations**
