Upcoming Events!

The Souper Bowl of Caring utilizes Super Bowl weekend in America to mobilize young people to fight hunger and poverty in their local communities. Its vision is to transform Super Bowl weekend (the weekend of the first Sunday in February) into America's largest youth-led weekend of giving and serving. Young people collect monetary and food donations during the week leading up to Super Bowl Sunday. 100% of the money and food is then given directly to local charities of the group's choice. St. Paul's will again be participating this year. Youth will be outside each of the masses to collect your donations. Thank you in advance for your generosity!
